

Become an online literacy tutor

Using the Science
of Reading to
Improve Literacy

Who are we?

At OnYourMark, we're committed to helping every child become a confident reader by using proven, research-based methods rooted in the Science of Reading. As a tutor, you'll work with K-5 students to build essential reading skills while supporting their academic and social-emotional growth. We partner directly with schools to provide high-impact, small-group literacy instruction—giving students the extra support they need to thrive.
