October is National Disability Employment Awareness Month!

Disability and Access Services and P.A.C.E. at National Louis University are excited to celebrate this year's National Disability Employment Awareness Month theme "Disability: Part of the Equity Equation."

Join our P.A.C.E. students and employer representatives from Walgreens and Chase Bank. A representative from Walgreens and Chase Bank will engage us in a conversation on the positives of employing people with disabilities and the impact on their organizations. P.A.C.E. students will share their personal experiences in the workforce.

Let's be Part of the Equity Equation at NLU!
