

THE NLU COMMUNITY HEROES SCHOLARSHIP PROGRAM

At National Louis University, we BELIEVE in HEROES.

To proudly display our appreciation of our community heroes, we are excited to introduce the NLU Community Heroes Program to support the education goals of our heroes and their families. While the cost of our education is among the most affordable, we believe the additional scholarship, **valued at 15% of total tuition***, will enable participants to focus on their goals and dreams without financial worries.

*Active duty military members will receive varying scholarship amounts, based on program.
