

METROPOLITAN CHICAGO TUTORING CORPS

Earn up to \$700 per week in the 2025-26 School Year! 50 Math Tutors needed for the Fall!

Dear Roosevelt Students and Alumni,

Thanks to grants from **A Better Chicago** and **Lohengrin Foundation**, Roosevelt University created the Metropolitan Chicago Tutoring Corps (MCTC) in collaboration with Chicago Public Schools (CPS). Corps members provide paid, high-dosage tutoring during the school day in Math to sixth through eighth grade students in select CPS schools during the 2025 – 26 school year.

All corps members will be employed by CPS and paid for their tutoring during the school day. CPS will pay corps members **\$21-\$23 an hour**. Work a minimum of 20 hours to a maximum of 30 hours per week, that's \$420-\$700 a week!

MCTC is open to all Roosevelt University undergraduate students, graduate students, and alumni! Teacher candidates enrolled in education programs are especially encouraged to apply. All who want to help make a positive difference in the lives of our future leaders are welcome. CPS is not hiring international students on a Visa for this part-time position.

Acceptance into the MCTC will provide RU students with other **important benefits**:

- Specialized support and training during the school year for the tutoring work to be completed.
- Tutor conference at Roosevelt University every semester.
- Extra books and math intervention materials.
- Tutors who complete a set of pre-specified tasks related to the success of the program will be eligible to receive a support stipend each semester (Fall and Spring).

This is a unique opportunity to obtain knowledge and skills applicable to your career goals and to make a difference in the city of Chicago.

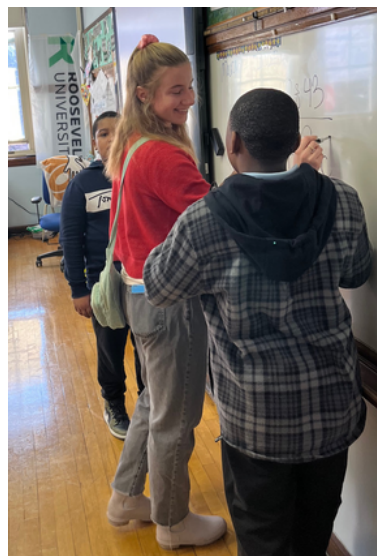

Sincerely,

Mark Valencia
