Teaching and Leading with AI in P-12 Education: **Possibilities**

JOIN US AT OUR VIRTUAL EVENT

Friday, August 4 • Zoom • 11:30 a.m. – 1:00 p.m. CT

**Click here
to RSVP** 

Are you curious about the possibilities of Artificial Intelligence (AI) in P-12 education? Would you like to learn more about unlocking the potential of AI in P-12 education? Join us for the opportunity to engage in insightful and collaborative discussions with fellow educators who share an interest in harnessing AI's transformative power.

Teaching and Leading with AI in P-12 Education: Possibilities

The event will begin with learning the fundamentals and trends in AI after which participants will select breakout sessions for deep dive discussions around topics such as: Leading with AI Policy, Ethics, Equity & Bias, and AI Tools to Support Teachers & Leaders.

Don't miss out on this opportunity to expand your understanding and contribute to the future of AI in P-12 education. Come prepared with your questions and ideas, as this exploratorium promises to be a dynamic meeting of minds!

Attendees will receive Illinois professional development hours.

Zoom Event Hosted by: Dr. Angela Elkordy, Associate Professor, Educational Leadership
