

**NATIONAL LOUIS
UNIVERSITY**
National College of Education™

2025 Teacher Appreciation Week

AI for PK-12 Workshop

**Celebrating Appreciation Week
with a Special Free Event, Just
for Educators!**

Find out how to:

- Use an effective prompting technique to get better AI outcomes.
- Generate lessons personalized to your students' needs.
- Integrate AI as a lesson planning companion that will save you valuable time that you can spend with your students.

Tuesday, May 6

Zoom
5-6 p.m. CST

**RSVP
TODAY**

Workshop Session Facilitator:

Neal Green, Ph.D.

Director of Online Operations &
Associate Professor
