

Reading Power has
tutored more than

5,300
students since
2003!

Looking for a meaningful volunteer opportunity?

Many young students in Lake and Cook counties are struggling to learn to read. Research shows that students who fall behind in early literacy skills require intensive intervention to catch up.

Become a Reading Power volunteer tutor today

Reading Power is seeking volunteers to tutor first - second grade students in our Palatine program at Lincoln School from 8:15 am - 11:15 am on either Tuesdays or Thursdays. Tutors pick a day of the week, and tutor the same three students all year long.

By dedicating just three hours a week during the school day for the school year, you can make a lasting impact on a child's life!

No prior experience is necessary—just a love for children and reading. Professional Reading Power staff provide all training and support.

Join us in fostering the promise of literacy! You won't regret it!
