

Looking for a meaningful volunteer opportunity? Become a volunteer tutor for Reading Power!

There are many young children struggling to read in Lake County. Research shows that children who fall behind in early literacy skills require intensive intervention to catch up.

You Can Make A Difference!

Reading Power tutors provide one-to-one literacy instruction during the school day to young children in North Chicago, Waukegan, and Zion. Early intervention is essential to a successful educational journey! Together, we can make a difference in the lives of children in Lake County. Since our founding in 2003, Reading Power volunteers have tutored more than 4,500 children.
