

NATIONAL LOUIS UNIVERSITY

MY TEACHER. MY HERO.

After a very challenging school year, it's BACK TO SCHOOL once again!

We know that our teachers have had to make many adjustments over the past year, and for that—**you are our HEROES**—and we would like to help you get back to focusing on your education and career goals. Here are a few opportunities:

- All teachers who enter NLU's National College of Education M. Ed. or Ed. S. programs in the Fall 2021 term are eligible to apply for a Higher Education Emergency Relief Fund (HEERF) grant up to \$1,000. This grant can be used for tuition or expenses and an application showing the need must be submitted.
- Additionally, teachers can apply for the "NLU Back to School 2021 Grant." Of all applicants, two participants will be drawn through a lottery during the week of September 27, 2021 to receive \$500 in classroom supplies or appropriate classroom support, courtesy of National Louis University. The lucky winners will be highlighted on our social media channels.

National Louis University is proud to help start the school year with excitement and shape the future of education through our teachers, our heroes.
